The Difference WIF offers . . .

- We not only train artists, but offer employment opportunities and internships.
 - No other training program can offer "on the job" training or training by a Studio facility and instructors who can hire or recommend you for a job.
 - This is made possible through DreamVision Studios and through the artist's themselves.
- Our courses are taught through DreamVision Studios' and their high-profile instructors. WIF utilizes this along with DreamVision's 8 divisions, which offers IT'S clients the added services of our students on their feature films, television, commercials, high fashion print, sports, pop promos, corporate productions, documentary's & more. DVS' credentials include:
- All instructors are current working professionals on numerous movies, television shows, fashion shows, commercials and Award Shows.. **giving YOU an edge** within the Hair & Make-up industry.

Classes will be taught in all environments, including in the classroom, on the soundstage and on locations with various lighting setups, including green and blue screens, to learn the necessary skills of how lighting effects make-up.

During the course of this class, students will have the opportunity to go backstage to a Las Vegas Show to observe and experience the craft first hand.

All students will be given a Fully stocked Professional Kit to get them started, they will be treated to

Guest Speakers and they will all participate in ongoing projects that come through DreamVision Studios while they are taking the course. Upon completion all students will be prepared to step out on their own and call themselves Professional Makeup Artists. Some Students will have opportunities to continue working with DreamVision Studios on future projects.

Upon completion of the 3 month course, students will have all the tools, knowledge, skills and confidence to start their career.
